Skills for working with clients who use alcohol and other drugs

PRESENTER: Jenny Melrose, Psychologist, JEMECO Psychology
in conjunction with FOCUS: Sunshine Coast Division of General Practice

This workshop will enable you to work more confidently and effectively with clients who use substances. You will have the opportunity to learn about:

- ◆ Substances: why and how people use them
- ◆ Problems people may encounter from using drugs
- ◆ A psychosocial assessment of Alcohol and Other Drugs (AOD)
- ◆ Treatment options available in the community
- ◆ Clients who are not ready to address their AOD use
